RAISE MONEY FOR OUR CHARITY

Since 1912 The Sussex Deaf Association has helped thousands of deaf people in need of support and guidance to help with every day needs hearing people take for granted. We are an independent charitable voluntary organisation providing support, social and welfare services to Deaf, Deafened, Deafblind and Hard of Hearing People across Sussex.

In 2008 SDA started various recycling campaigns to make a real difference in raising much needed funds to keep our services going throughout Sussex. Many of these do not cost you a penny to help.

Since the campaigns started we have raised hundreds of pounds but would like to raise even more with your kind help.

We collect: Aluminium Drink Cans, Inkjet Cartridges, Mobile Phones, **Sat Navs, Games Console & Games Tablets, Cameras & Video Cameras, Antiques & Collectables**, Unwanted Gold/Silver and costume Jewellery, Watches and Old UK and Foreign Currency. Sorry, **we no longer collect Milk Bottle Tops.**

INKJET CARTRIDGES

If you have any inkjet cartridges of the following makes:

All Hewlett Packard

All Lexmark

All Dell

Canon PG36/PG40/PG50/CL37/CL41/CL51/CL52

Make sure all your details, phone numbers and sim card are deleted/taken out before giving to SDA. Please leave battery in the phone. Jewellery, unwanted, gold, silver, costume jewellery and watches. Broken and mismatched jewellery also accepted. Any old UK and Foreign Currency.

If you would like to donate these unwanted items you can either post or drop them in to us. There is also a possibility we can arrange collection for larger quantities or post you out specially designed envelopes to put them in. If you are a large user of any of the above we can arrange for a collection bin to be placed where you work. You can contact us by phone, email or post. Contact information is at the back of this leaflet.

Many individuals and organisations have helped us greatly but we need your help in collecting these items for us. Everything we received generates money for our charity, nothing goes back to the government.

We would like even more people to get involved to raise much needed funds in order to keep SDA going. Get family, friends and work colleagues involved. Everything you donate really makes a difference no matter how small.

You can also help raise money in other ways:

Use this search engine www.everyclick.com save the following link to your browser:

<http://www.everyclick.com/the-sussex-deaf-association>

To make an online donation, go to the Charity Choice website; <http://www.charitychoice.co.uk/sussex-diocesan-association-for-the-deaf-2813>

Via post, cheques or Charity Aid Foundation Payments made payable to: "The Sussex Deaf Association" at the address below.

Your help is very much appreciated.

Thank You.
